Subject: Fw: Sediment and Tissue SAP Addenda
Date: 09/15/2011 08:27 AM

Folks,

The San Jacinto sediment and tissue sampling plans are available on the web portal; I would appreciate your review/comments by 9/23/11 if possible. Garry - I will send the files to you in a separate email.

Thanks,

Gary Miller, P.E.

Subject: Sediment and Tissue SAP Addenda

Dear Gary-

The draft Tissue Sampling and Analysis Plan (SAP) Addendum 1 and draft Sediment SAP Addendum 1 for the San Jacinto River Waste Pits Site have been posted on the project portal in the following location:

- [SJRWP Site - Working Documents](#)

These SAP Addenda describe the data quality objectives and specific samples to be collected as a result of the data gaps analysis, while referencing the main SAPs for efficiency. The Data Gaps Memo (Sept. 7) is attached to both.

For these documents in particular, your expedited review will be greatly appreciated. We hope to hear from you no later than the end of next week (Sept. 23) with approval or conditions for approval, to enable mobilization for sampling to begin during the following week, and sampling during the first 10 days of October.

These documents are submitted pursuant to CERCLA Docket 06-03-10.

Thanks very much.

Jennifer
